13 September 1962

	MEMORANDUM FOR THE RECORD	n o
	SUBJECT: Results of Meeting between Dr. Scoville and Dr. Charyk 11 September 1962	7
	Dr. Scoville reported generally on his meeting with Dr. Charyk on the subject date. The following are the principal results:	
	a. Dr. Charyk agreed to a change in the NRO organization, identifying Dr. Scoville as the Deputy Director of NRO, subject only to Mr. Gilpatric's concurrence which Charyk intends to obtain. Dr. Scoville added that he had pushed on this "in view of the strong pressure from OSA".	a manager of the state of the s
05/44		25X1A
25X1A	b. Dr. Charyk accepted reluctantly Dr. Scoville's views on the desirability of the Agency's phase out of the contract	
	He said this was an Agency decision. remained uncon-	25X1A

25X1A	making certain receive prompt treatment	20/1/
25X1A	on the outstanding and that is also advised.	25X1A
25X1A	c. Dr. Charyk also bought the concept of a relatively senior CIA liaison representative to be accredited toon the NRO Staff. Dr. Scoville intends to see if will not accept this job.	25X1A
	d. Dr. Charyk reports that the NRO Satellite Control Center is expecte	
25X1A	to be operational in two to three months. A separate letter, 3362-62,	25X1A
	dated 10 September 1962, from Dr. Charyk to Dr. Scoville, contains a request for the nomination of two Agency controllers to this Center.	<b>—</b>
	have been identified as those individuals, and when they are	
	transferred to the Control Center, they will remain in CIA/OSA slots, which	
	should be identified as NRO positions in our T/O presentations.
